NKF’s first Chinese Opera Matinee was recently held on Sunday, 19 May 2013. 195 attendees turned up including patients, caregivers, NTUC Whampoa Eldercare residents and volunteers. Through such interactive and entertaining events, patients are given the opportunity to socialize and mingle.

Themed “Entertainment”, the event included exciting performances such as Shanghai, Hokkien, Cantonese operas and Chinese songs. It was certainly an enjoyable and visual treat for everyone.

“It was nice to see traditional Chinese opera and I enjoyed the performance a lot. I’ll definitely be participating in more of these kinds of activities.”
